

Shrimad Rajchandra College of Physiotherapy

Janmashtami celebration Report

Janmashtami, the auspicious celebration of Lord Krishna's birth, was celebrated with great enthusiasm and devotion at Shrimad Rajchandra College of Physiotherapy on 6th Sept, 2023. The celebration commenced with a soulful Krishna Aarti. Devotees gathered at the Yoga Hall of SRCP to participate in the Aarti, seeking blessings from Lord Krishna. The atmosphere was filled with devotion and spiritual fervor as the students and faculties joined in with heartfelt prayers. Following the Aarti, an entertaining and interactive Antakshari competition was organized, centered around Krishna-themed songs. This activity was a delightful way to engage students of all classes and promote their bonding. Participants enthusiastically sang and completed, showcasing their knowledge of Krishna-related music and folklore. One of the most awaited events of the day was the Dahi Handi celebration. A beautifully decorated matki symbolizing Lord Krishna's love for butter was suspended high in the air. Teams of young participants, known as "Govindas", attempted to break the matki by forming human pyramids. The excitement was palpable as cheers and encouragement filled the air. The Janmashtami celebration at SRCP was a resounding success, bringing together the students in a spirit of devotion and unity.

Antakshari Competition:

- First place: Jugal Pawar, Dhaval Pawar, Aditi Ghodawala, Preeti Baria
- Second place: Tisha Mall, Hasti Vanani, Gulzar Gavit, Khushi Shah
