TOPIC OF WORKSHOP: “Pedagogical practices in Physiotherapy Education”.

RESOURCE PERSON: Dr. Tarpan H Shah

DATE: 15th & 22nd September 2023

NO. OF STUDENTS PARTICIPATED: 91

SEMESTER: 5th

EXPERT TALK WORKSHOP CONTENT:

For 5th SEM B.P.T students, an expert session on "Pedagogical practices in Physiotherapy Education" was organized.

The sessions expert Dr. Tarpan H Shah (PT), Discussed his extensive knowledge and experience with Pedagogical Tools, Methods, Software, and related Websites as well as Android applications and how to access and utilize them for teaching and learning.

He displayed many methods as well as role-playing. He also gave them advice on how to use ICT to advance in the profession of physiotherapy. It was an excellent presentation, with an excellent interactive question-and-answer time that enabled students to actively learn.
