

World Stroke Day Celebration

Shrimad Rajchandra college of Physiotherapy organized a session on “BE-Fast” on the occasion of world stroke day celebrated internationally on 29th October.

The session was conducted on 28th October 2023 and Dr. Suhana Pathan (PT) & Dr. Kruti Thakkar (PT) were the coordinators for the session. MPT students and few faculties participated in the session.

The session was focused on importance of stroke prevention, early detection and significance of a healthy lifestyle. Informative seminar on the causes, symptoms and preventive measures related to stroke was conducted by Dr. Kruti Thakkar (PT).
