**RESOURCE PERSON:** Dr. Tarpan H Shah, Ph. D, PT

**DATE:** 2<sup>nd</sup> FEB & 6<sup>th</sup> March 2024

**NO. OF STUDENTS PARTICIPATED:** 47

**SEMESTER:** 8<sup>th</sup>

### **EXPERT TALK WORKSHOP CONTENT:**

For 8<sup>th</sup> SEM B.P.T students, an expert session on "How to Use Research Tools to Boost Research Output" was organized.

The sessions expert Dr. Tarpan H Shah Ph.D., PT Discussed his extensive knowledge and experience with Research Tools, Methods, Software, and related Websites as well as Android applications and how to access and utilize them for research.

He displayed many methods as well as role-playing. He also gave them advice on how to use different internet-based research tools to increase productivity in research in Physiotherapy. It was an excellent presentation, with an excellent interactive question-and-answer time that enabled students to actively learn.
