WORKSHOP CONTENT:

For 7th year B.P.T students, an expert session on " **CLINICAL CASE PRESENTATION AND EXAMINATION OF MUSCULOSKELETAL CONDITIONS** " was organized. Dr. Ishita Mayatra (PT), the session expert, provided her unique knowledge of musculoskeletal assessment skills. She provided many instances of clinical cases and explained how to use various special tests for the diagnosis. She also offered them guidance on how to put this knowledge to use in their clinical practice. The participants were able to actively learn because of the wonderful interactive discussion period during the presentation.
