WORKSHOP CONTENT:

Shrimad Rajchandra College of Physiotherapy organized a one-day expert talk on "**Brachial Plexus**" for third-semester Bachelor of Physiotherapy students on August 2nd and 9th, 2024. Dr. Aarzoo Minnat Ansari, an Assistant Professor at the college, led the session. 100 second-year students attended and learned about the Brachial Plexus with the muscles and cutaneous supply. The primary goal of the talk was to teach the fundamentals of human anatomy. The session provided an in-depth study of the nerves originating from the brachial plexus which will benefit the students throughout their curriculum. Additionally, numerous queries related to the topic were addressed and discussed during the talk.
