

## "World Physiotherapy DAY CELEBRATION 2024"

---

Uka Tarsadia University, September 9, 2024-Shrimad Rajchandra College of Physiotherapy marked World Physiotherapy Day with a special event to raise awareness among students and the community about the significance of physiotherapy. The celebration took place on September 9, 2024, and was a collaborative effort led by the faculty and MPT students.

The event was organised by Dr Kajal Patil, Dr Isha H Patel, and Dr Jovita MPT, with coordination by Dr Tarpan H Shah and the MPT 1st-year students. The program commenced with an insightful introduction to the history of World Physiotherapy Day and the World Confederation for Physical Therapy (WCPT), setting the stage for the day's activities.

A highlight of the event was the scientific session on Cardiopulmonary Resuscitation (CPR), delivered by Dr. Tarpan H Shah. His session provided valuable information on life-saving techniques and underscored the critical role of physiotherapy in emergency care.

The celebration successfully combined educational content with practical knowledge, reflecting the college's commitment to advancing the field of physiotherapy and enhancing public understanding.
