WORKSHOP CONTENT:

The expert talk was held at Shrimad Rajchandra College of Physiotherapy (SRCP) on 4th and 8th July, 2024. Dr. Pranjal Contractor (PT), Assistant Professor at SRCP, was instructor for this talk and she had delivered lecture on core concepts of 7th Cranial Nerve by using chalk and board method to final year BPT students. In the expert talk, 92 students had participated. Dr. Pranjal Contractor had covered various fibers and functions of facial nerve, their origin and pathways and clinical signs associated with facial nerve injury at various sites. To make easy understanding of this live case examples were given and Students were able to identify the site of lesions. Throughout the expert talk different queries regarding this topic were discussed between educator and students.
