WORKSHOP CONTENT:

Shrimad Rajchandra College of Physiotherapy organized a one-day expert talk on "**Bones and Muscles of the Lower Limb**" for third-semester Bachelor of Physiotherapy students on July 12th and 17th, 2024. Dr. Aarzo Minnat Ansari, an Assistant Professor at the college, led the session. 108 second-year students attended and learned about the structure of bones, as well as the origin, insertion, action, and nerve supply of various lower limb muscles. The primary goal of the talk was to teach the fundamentals of human anatomy. The session provided an in-depth study of the bones and muscles of the lower limb, which will benefit students throughout their curriculum. Additionally, numerous queries related to the topic were addressed and discussed during the talk.
