Report of 9th Uth Fest 2025

The **9th Uth Fest**, held at our university from **February 27 to March 1, 2025**, was yet another spectacular celebration of youth, creativity, and talent. This year's fest was unlike any before, not only for its vibrant energy during the three main days but also because of the **12 pre-fest events** held in the weeks leading up to it. These early events helped ease the schedule and added a unique charm to the buildup of the grand fest.

Carrying forward the legacy of previous editions, the 9th Uth Fest brought together students from various departments, offering them a dynamic platform to showcase their diverse talents. The campus came alive with an electric mix of **cultural, theatrical, artistic, and literary** events that kept spirits high and the vibe unforgettable.

One of the major highlights this year was the **two spectacular concerts** – one by the energetic **Rhythm Shastri** and the other by the soulful **Madhur Sharma** – both of which had the crowd grooving and singing along under the stars. These concerts became the heartbeat of Uth Fest 2025, pulling in massive audiences and unforgettable moments.

The **fashion show**, held during the evening, was undoubtedly the **main attraction** of the fest. With dazzling outfits, bold creativity, and confident walks down the ramp, the participants turned the evening into a visual masterpiece. It stole the spotlight and was the most talked-about event of the entire fest.

In the **literary arena**, events such as quiz competitions, debates, elocution, extempore, ad-making, and film reviews brought out the intellectual firepower of the students. The discussions were intense, the ideas thought-provoking, and the competitive spirit invigorating.

Art events once again added a splash of color and creativity to the fest. From **cartooning, collage making, and installation art** to **mehendi, rangoli, clay modeling, and spot photography**, the campus was transformed into a living, breathing gallery of imagination and expression.

The **9th Uth Fest** was not just an event – it was an **experience**. It stood as a testimony to the boundless enthusiasm, talent, and unity of our student community. As every event unfolded, it strengthened the bonds among students from diverse backgrounds, making memories that will be cherished for years to come.

This year's fest, just like the last, served as a true celebration of the youth's boundless potential and creativity, making it a cherished memory for all. SRCP has acquired 132 points in total 41 events held in 9th Uth fest 2025.
