

Shrimad Rajchandra College of Physiotherapy, Bardoli organized an orientation programme for the newly admitted aspirant at the institute premises on 26-27th September 2019. The major objective of the programme was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the institute and ensuring parental cooperation in monitoring the performance and progress of the students throughout the course.

The Student Orientation Program is designed to:

- Familiarize students with the faculties, standards of the SRCP& UTU.
- Accustom students with the history and traditions of SRCP& UTU
- Aid students navigate the UTU campus and identify the resources available
- Introduce Physiotherapy as a Nobel profession including different specialty of physiotherapy, career and scope.
- Enlighten students regarding key information, which will help them to adjust during the course and achieve academic success.

The orientation program began on 26th September 2019 with the welcome of the students, their parents, principal and faculty members of SRCP. Total 60 B.P.T students along with their parents participated in the programme. Dr. Kinjal and Dr. Sweta welcomed all the participants. They talked about importance of community work and moral values in life. She motivated students and communicated regarding importance of knowledge, attitude and skills in physiotherapy profession. Dr. Sweta gave a brief description of the institute, which included the vision, mission, history, awareness about different cell including Women's cell and committee against sexual harassment. Dr. Niyati had briefly oriented students to Anti-Ragging cell. They were also briefed about academic regulation, co-curricular activities, scholarship program and examination by various faculty members of SRCP.
