

Shrimad Rajchandra College of Physiotherapy

TITLE: REFRESHER COURSE ON SPINE,

Venue: Shrimad Rajchandra Hospital and Research Centre, Dharampur

DATE: 09/07/2023

Final years students of Shrimad Rajchandra College of Physiotherapy attended Refresher Course on Spine @ Dharampur. The course was initiated by Dr. Shekhar Bhojraj (M.S Ortho) in collaboration with KEM hospital, Mumbai. Students learned about radiological findings of different Orthopedic conditions, how to ask specific questions to get precise history from patient and how to write differential diagnosis from history.

An elaborate introduction to screening tools and techniques and understanding the role of physiotherapy intervention in managing back pain. The last session ended with group discussion. It was a great learning experience for 75 students of final year and two faculty.
