Expert Talk on: Basics of Chest X-rays

Shrimad Rajchandra College of Physiotherapy had organized an Expert talk on “**Basics of Chest X-rays**”. It was conducted by **Dr. Khyati Shah** in two sessions for total four days. 1st session was conducted on 8th & 9th December, 2022 and 2nd session was on 30th & 31st December 2022. The motive of this activity was to make students Learn & get Expertise in Interpreting Chest x-rays. Students were given basics theoretical knowledge for observation of basics of normal x-rays & comparing them with the abnormal chest x-rays. The session also included practical demonstration and practice of various Chest X-rays comparison, interpretation & documentation. 30 students in each batch of 6th semester BPT of SRCP participated in this program for 2 days each batch. The session ended with complete theoretical knowledge and practical application of Basics of Chest X-rays.
