**NO. OF STUDENTS PARTICIPATED:** 74

**SEMESTER:** 8<sup>th</sup> SEM

**WORKSHOP CONTENT:**

Shrimad Rajchandra College of Physiotherapy had organized the Expert Talk on “Importance of Research in physiotherapy”. It was conducted by Dr. Ishita Mayatra (PT) on 28<sup>th</sup> November & 5<sup>th</sup> December 2022. The motive of this activity was to teach the importance of research in physiotherapy and its implication among students of 8<sup>th</sup> semester BPT. The programme was started with introduction, basic information of the types of research, evidence-based physiotherapy practice and level of evidence. Throughout the session various queries regarding to the research were discussed between the instructor and students. Total 74 students of 8<sup>TH</sup> SEM B.P.T attended.
