

"WORLD ASTHMA DAY 2023"

Shrimad Rajchandra College of Physiotherapy celebrated “World asthma day” on 5th May, 2023. The motive of this activity was to create awareness of asthma among students as the prevalence of asthma is increasing day by day. World Asthma Day (WAD) (May 2, 2023) was organized by the Global Initiative for Asthma, (GINA), a World Health Organization collaborative organization founded in 1993. Theme of asthma day was “Asthma care for all”. The Asthma care for All message promotes the development and implementation of effective asthma management programs in all resource countries. 31 students of SRCP participated in this Program. Basic information regarding introduction, sign and symptoms, causes and treatment was provided to the students. Information regarding “how to take immediate action in asthma attacks” were taught to the students. Also basic knowledge of exercise and importance of exercise in asthma were taught to the students. This event was co-ordinated by Dr. Anand Patel and Dr. Khyati Shah.
