

# SHRIMAD RAJCHANDRA COLLEGE OF PHYSIOTHERAPY

TOPIC OF GUEST LECTURE: HANDS-ON ASSESSMENT OF SPINE

DATE: 10<sup>TH</sup> MAY 2023 (WEDNESDAY)

GUEST SPEAKER: DR. CHANDRANAN SHAH (ORTHOPAEDIC SURGEON)

PROGRAM CO-ORDINATOR: DR. BHAVIK JHAVERI (PT)

Shrimad Rajchandra college of Physiotherapy organised a Guest lecture on “Hands-on Assessment of Spine” for 4th Year BPT & MPT students. Dr. Chandranan Shah was the invited speaker for the session. In the beginning of the session, he covered basic anatomy of spine and common pathologies of spine in paediatric, young and older individuals. Later on he focused on various assessment components of spine such as inspection, palpation, special tests, sensory and motor evaluation, etc. Hands-on demonstration of each assessment component was done by him. Throughout the session various queries regarding how to differentiate various spine pathologies such as spondylolisthesis, spinal canal stenosis, PIVD, etc. Indeed this was an extremely interactive and knowledge enhancing session which will be definitely useful to all the attendees in their clinical practice. Total 10 faculties and 56 students attended this Guest lecture.
